

State of Nebraska
Department of Natural Resources

POSITION VACANCY

The Department of Natural Resources has a position vacancy for a Natural Resources Specialist II (#02901015), Salary Grade 272, Salary: \$2,755.17 per month.

CLOSING DATE: SEPTEMBER 25, 2006

LOCATION: 301 CENTENNIAL MALL SOUTH, LINCOLN, NE

This position involves:

- Enforcing state water laws including the issuing of closing/regulating orders to surface water irrigators,
- Making discharge measurements of streams and pumps,
- Computing stream flow discharge records,
- Conducting water use investigations and writing reports,
- Mediating water related complaints and
- Performing dam safety inspections, recording the findings and recommending appropriate repairs, operation and maintenance.

Area of work is southeast Nebraska.

Education/Experience Requirements:

Bachelors degree in science and/or water related fields is desirable. Computer experience including GIS, word processing and spreadsheets and basic knowledge of irrigation and farming activities is desirable. Basic math skills, good writing skills, verbal communication skills including the ability to deal with people in difficult situations is required. Basic mechanical abilities, the ability to apply basic scientific methods, the ability to lift 75 pounds, and the ability to work in and around water are required. A valid driver's license and some overnight travel are also required.

Application form required: Contact: Nebraska DAS State Personnel, 301 Centennial Mall South, 1st Floor, PO Box 94905, Lincoln, NE 68509-4905, (402)471-2075 or any Nebraska Job Service. Also check the website at www.wr4neb.org
